

Bilingual Clinician (part time)

Family ACCESS Counseling and Consultation Services is seeking a Master's level counselor or social worker with experience working with families of young children, 0-5 yrs. and is fluent in Spanish and /or Portuguese and English. The Bilingual Clinician will provide therapy to families in our office or through home-based services in the Newton and Waltham area. The counselor will receive individual and group supervision and participate as a member of a strong, dynamic clinical team. Part time, 12 hours a week. Candidate will need a car for home visits.

If you are interested in joining the Family ACCESS team, we would like to hear from you. Please submit cover letter & resume by mail or email both to:

[Susan Sklan](#), Program Director of Counseling and Consultation Services
